SOME OF MY PROJECTS

RECIPETUTOR
recipetutor.netlify.com

- A site for getting food recipes of varied sorts.
- This was made using HTML, CSS, JavaScript and hosted on Netlify.

PEXELAR

- A site for displaying and sharing images by photographers, and the images are available for download too.
- This was made from HTML, CSS, JavaScript, Python (Django)

MONEY EXCHANGE

- A site for checking exchange rates of currencies
- Made from HTML, CSS, JavaScript

SKILLS

- HTML
- CSS
- JavaScript
- Bootstrap
- Python
- Django
- AWS (S3)
- Heroku
- Netlify

STRENGTHS

- I work well with teams
- I like to have good communication with team members
- Open to learning new things essential to my duty
